All MMAE Undergraduate Juniors and Seniors, Master of Engineering, Master of Science, and PhD students are invited to participate in a research poster competition hosted by the MMAE Department on **Friday, March 23, 2018**. Participants will present their posters to a panel of judges for a 5-minute period, which will be followed by an additional 1 minute of questioning. The event will begin at 12 pm, and winners will be announced at an awards ceremony later that afternoon.

**Deadlines:**
- Printed and signed entry forms must be submitted to Elena (MMAE Main Office) and corresponding files emailed to magnus@iit.edu by noon on **March 5, 2018**.
- Electronic files of posters in PDF format must be submitted to magnus@iit.edu by noon on **March 16, 2018**. Posters received by the deadline will be printed by MMAE Department.

**Rules & Notes:**
- Dimensions of posters: 48 inches wide x 36 inches high.
- Posters must reflect research or a unique project done in the MMAE department and may be from any area of study within MMAE.
- Posters must reflect research or a project done by one person only; group submissions are not allowed.
- Costs will not be reimbursed, but the MMAE department will print the posters submitted before the deadline (March 16, 2018) and provide the backing board for these posters. Students will be contacted when the poster is ready for collection.
- Posters of the winners will be collected by the MMAE department at the end of the event for display around campus/promotional events.
- Last year’s poster competition winners are not eligible to present the same material again, although they may re-enter if they can present significantly different research.
- Easels will be provided for all entrants.

**Questions:**
Contact Elena Magnus in RE-243 or e-mail magnus@iit.edu.
